

MIGRATION IMPACTS FORUM

Terms of Reference

The purpose of the Migration Impacts Forum (MIF) is to provide a forum for proper, regular and organised dialogue with interested parties outside central Government, focussed on the wider impacts associated with migration experienced by local areas. It will:

- Consider information from forum members about the social benefits of migration and any transitional impacts and/or adjustment requirements which derive from migration
- Identify and share good practice in managing transitional or adjustment requirements
- Bring together existing evidence about the impacts of migration
- Suggest areas for Government research on the impacts of migration

The Forum will meet quarterly and be chaired jointly by a Home Office and a Communities and Local Government Minister. The forum's findings will be shared with all relevant Government Departments. Membership of the MIF will be by ministerial invitation.
