

WHERE YOU CAN USE YOUR SECTION 4 'AZURE' PAYMENT CARD

This is a list of the supermarkets and other stores where the Azure section 4 payment card can be used to purchase food and other essential items such as toiletries. These are national retailers and any store bearing the logo shown below will accept the Azure section 4 payment card. **The payment card does not provide a 'cash back' facility.**

A list of independent retailers which accept the Azure section 4 payment card can be found in Annex A.

Important

You cannot use your Azure payment card to purchase Gift Cards, Petrol or Diesel.

You also cannot obtain cash from a cash point using your Azure payment card. If you try to obtain cash from a cash point your card will be locked and will not work again until the card provider unlocks it. This may take some time and in the meantime you will not be able to use your card to purchase food etc.
